“ I had the privilege of caring for Anna for most of 2019. She was such a beautiful woman, inside and out. I miss our chats, where she'd tell me various stories from her lifetime, most of them hilariously funny...because we'd both be rolling with laughter. She'd joked about adopting me as a granddaughter because of how well we got along & she claimed I'd get along well with her other grandchildren. My condolences to her family, she will be greatly missed by so many, for she was an astonishing woman.
