BECKY S. KAUFFMAN

Mother, wife, sister, daughter, teacher, co-worker.....friend, Becky S. Kauffman of Millersville. On October 5th, 2018, we mourned, we cried, we remembered. Becky was a fiercely strong individual. She waged a physical battle, bravely, without tears, independently.

She never looked back and has been a loving example of courage for her son, Toby Chanz Singer. Toby was her purpose; she held him, nurtured him, encouraged and molded him into the young man he has become. She was tough yet gentle. Her passion was life – from her green thumb to her love of animals.

Married to Brad Singer, they were to celebrate their vows this coming week. Younger sister of Pamela J. Breneman (Don), Parke Kauffman (Mary Jane) and Charlie Kauffman. Becky could prove stubborn, which never detracted from the love of family. Her parents, Chub and Eva Ressler Kauffman enjoyed having her “just up the street” and have always been there as she was for them.

A teacher of special needs children, Becky went into the classroom early and stayed late. It was all about the kids. Over the years, she bonded with so many that she worked with; a family of teachers and support staff in both the Hempfield and Penn Manor School Districts.

And friend... she was a text or call away! She knew how to listen and weigh in; not always providing the response wanted, but you definitely knew where Becky was coming from. Today, we celebrate Becky, yet we still cry. Becky S. Kauffman has become a part of us. She will continue to inspire and encourage us to grow. We are all better for being touched by her love.

In lieu of flowers memorial remembrances in Becky's memory may be made to Pennsylvania SOCA Lancaster Center, 848 S. Prince St., Lancaster, PA 17603 or The Loft, 3116 Blue Rock Rd, Lancaster, PA 17603

“ Brad and Toby you are in our thoughts and prayers at this difficult time. The whole Ridinger family has many wonderful memories of the times we shared with the Kauffman-Singers and all of their immediate family. Getting to know Becky through AFS was a wonderful experience and I could always count on her to tell her "kids" just how it worked in her house so I didn't have to step in. May your memories of Becky carry you through this difficult time.

“ My deepest sympathy to you. I had the pleasure of working with Becky for many years. She leaves quite a legacy, not only for her family, but for her many students and their families. Becky always expected a lot from her students, and she got it. Their lives are enriched, because of her. May your loving memories bring you comfort.

“ Brad and Toby, I am so so sorry Becky was taken from you too soon. She was my breakfast buddy. I will truly miss our conversations, getting wacky presents in interoffice mail, and your guidance. I didn't get to say goodbye to her, but I know it's only see you later. Keep your sarcasm up in heaven, Becky. God will love the laughs!

“ Becky was a teacher to my son, Larry Sills, for over three years. Larry was so happy to have Becky as his teacher. He grew and learned so much with having Becky in his life! Larry unfortunately passed away five years ago with complications from Duchenne Muscular Dystrophy.

My deepest sympathies to Brad, Toby and family. Becky was a wonderful person and I will never forget her.

“ I read of Becky's passing this morning around 6:15 AM. To say I am shocked and saddened is an understatement.

Becky was the first person I met when I moved into my house on Rider Avenue. We became fast friends and enjoyed each others company, and usually a couple of glasses of wine.

We stayed in touch over the years after she married Brad, and talked often of getting together. I thought we had lots of time to get together, how wrong I was.

I am so sorry for the Kauffman & Singer families, and for everyone who's life Beck touched, including mine.

Rest in peace my friend, and know you will always been in my heart.

“ What wonderful words written about Becky! All written is so true. Becky and I began an immediate friendship after she began teaching at the IU in the 1980s. For years we had the same supervisor and would hang together at all meetings. Even though we were eventually assigned different supervisors we stayed in touch. I missed hanging out at meetings. With Becky around it made a boring in service bearable. We would laugh and laugh. Brad and Toby, your wife and mother was a terrific friend. I'll miss her wit, her forthrightness, but mostly our talks. I pray God comforts you during this time.

“ To the Kauffman and Singer families: Becky was a wonderful person and an amazing teacher. I had the pleasure of speaking to her just this past summer about some mutual students. Her passion for her students was admirable. I can only hope that I could live up to her standards. I also had the pleasure of being on of her nephews teachers. He so loved his Aunt Becky. My heart goes out to you all. Prayers for comfort during this time.

I didn't see her often, but always loved chatting with her when I did. I'm really going to miss her. I will keep you all in my prayers & grieve with you.
