“ My condolences to the families and friends missing these girls. I'm not understanding why the need to mention Cami had a half sister when all the siblings are half. Seems petty.

“ Her entire family is trash. Can't spell worth a damn. Passing blame on the landlord when they lived there. They could have prevented this tragedy!

“ I do not remember meeting Cami or Calli. They are family to me. My heart breaks for Shelly (my cousin) and the rest of my family during this time. I love each and everyone of you. My heart will be there with you on Friday even though I can not be there physically.
