“ Mr & Mrs were a second set of parents from kindergarten to College. They showed me a different look at family and made sure I felt safe and loved. The twins and I were inseparable for many years and introduced me to my husband of 35yrs, for enriching my life and teaching me to follow my dreams, I am forever grateful. I lost track of Mrs Gregg after Ross died, but am thrilled to see how many more yrs she had to watch her family grow. Mrs. Gregg loved her some God and Jesus and I know she's happy to finally meet them and see her love Ross, and give Butch a big hug and kiss. To Mary, Dean & Dale, as hard as this is, she's wrapped in God's loving arms reaping the love she earned through her lifetime in the service of the Lord. Sending healing love to you and yours...Ruth

“ Mom Gregg took me under her wing and made me an “adopted” member of the family for the past 58 years. She was a constant source of love, support and inspiration. I will miss her terribly, but will forever be grateful that she was in my life.
