“ Kevin, Doris, Keith and Alan,

I'm so very sorry for your loss. I didn't know her well but I know that she was a strong lady and loved her family. Kevin often talked about her through the years about her work ethic and the canning and processing of food and veggies that you all would get together and do. I met her only a few times and she was quiet but sweet. My heart goes out to all of you. May she be at peace and may your memories help to fill her absence. With much love, Jen.

“ Kay, Lois, Shirley, Doris and John

Your Mom was one of a kind! I have so many fond memories of staying with all of you on the farm when i was younger with Esther in control. A few years ago i helped Judy on her ice cream truck and we went through your Mom's neighborhood. There was Esther walking down the road, money in hand, to get her ice cream. Judy told me Esther was one of her best customers - there every week to make sure she got her ice cream.

My thought are with you all and your families.
