“ Dear Eshleman Family, I was sorry to hear of your mom's passing. I so enjoyed the times in the past when I was able to visit with her at Willow Valley. I so enjoyed getting to know your mom and spending time with her. The last year or so we weren't able to connect, and I'm sorry I wasn't able to see her before she passed. But praise God, we will see her again. Please know that we are praying for your entire family at this time, and wish all of God's comfort be upon you. With deep sympathy and love,
