“ Donna, Jeff, Pam and family,  
My condolences to you each for losing so fine a woman, mother, grandmother, friend and advisor. I've been away so much that it's mostly my childhood memories of her gentleness that I have... those and seeing her through conversations with Donna. The blessing is that now she is again with uncle Bill, her partner since before I was born.

Though aunt Ruth isn't available any more by phone, she will remain with you always for consul and calming - whenever needed. Just call her to mind and know from her mark in your memory what she'd advize or say to give comfort. Her strength of spirit is there, now and always.

Love from afar, Rudy

“ Dear Donna, Jeff and Pam,

Your Mother, my Aunt Ruth was so special in so many ways. Always a smile and a kind word, she was so generous and loving. I remember the family gatherings at Easter in Paoli, and how we all played together downstairs.

It was so good to be with you all at the 90th birthday celebration, and others since in Lancaster.

Aunt Ruth was so positive in her daily life, even when she didn't feel well. She was much

loved, and will be dearly remembered.

Love, Bonnie
