“ My prayers are with your family. Mrs. Moose was such a wonderful lady who always had a smile and could make you laugh no matter what. My fondest memories of Willa were when she held my oldest son right after he was born and then when she got down on the floor to wrestle him when he was around 4 years old. (He eventually became a Spider Wrestler.)

“ We just learned of the passing of Willa, one of the most special people we've ever known. Her gift of hospitality was very evident whenever we visited her and Frank in Concord. We know she will be terribly missed by her many friends and, of course, her loving family. But Praise the Lord she now has an eternal home in Heaven where pain, sorrow and memory loss are a thing of the past. Laughter and joy remain, and It will be good someday to be reunited with Willa and Frank and once again hear those fabulous Moose family stories that they so enjoyed telling and we enjoyed hearing. Our love to David and Brook as they say goodbye to their wonderful Mom.
