“ God Bless you and your family. I grew up with Alex and he was always so kind and full of life. I am so sorry for this horrific news and I send all my positive prayers and thoughts your way. I lost my mom last January and she was a Martinsburg Native, and Central High school Grad. He will be buried with an amazing view of the Mountains, in the most peaceful area I can imagine because, my mom is resting there as well. He is an angel flying high... and he is never gone from his family and friends hearts.. God bless and I hope that the hole in your heart can start to heal.
