“ Dear Family of Angela Cedano,
On behalf of the staff and residents of ARC of Hope Mills I would like to send our condolences and prayers to your family. Words seem so feeble in moments like these, and hard to find. Life is so precious, and death is such a thief. Mrs. Cedano was loved here and was a very sweet soul. She would burst out in a hymn (in Spanish of course). She will truly be missed in this community of peers and workers. The depths of your pain we cannot comprehend, but we will continue to pray for comfort and guidance during this time. Please, remember that love is a bond that death cannot part from us. She may be gone from your arms but still is held in your heart. Thank you for giving us the opportunity to meet such a loving, God fearing, and courageous woman.

“ When I was just 2 years old I was lucky to be pulled out of the children’s agency and put into Moms home. If it wasn’t for her, I wouldn’t be where I am today. Mom took me in, introduced me to Jesus and taught me lifelong lessons. I thank God everyday for her and pray that I can be a disciple just like she was. I love you Mom.

❤️ Danny
