“ A butterfly captures our hearts from the moment they appear. They are vibrant and graceful as their presence lifts our spirits. So too did Anne. Gone much too soon, she will never be forgotten. Stephen, may you and your family find peace in your memories.

“ Anne was truly an individual who would see to it that no matter what she had to do, she saw to it that it was done to the highest level. She talked about how proud she was of her family and the enjoyment she received attending activities of her grandsons and spending time as Stephanie progressed in her golfing career. On Fridays she would express how she took her mom to play slot machines the evening prior while she would just sit and wait. God has taken someone who was very giving to many. I hope her family finds some comfort in the thought that she touched a lot of lives and will be truly missed.
