“ I concur wholeheartedly with the condolences expressed herein by Brenda Miller. I had the opportunity to work with "Arlee May" at the QRC for two years in the mid-70's; she called me "Barry Baby". My parents were Club members for 35 years, and they would tell me that Arlene always asked about how I was doing. These past few years I met up with her mostly at funerals. I will fondly remember her mischievous laugh. She truly was "one of the good ones".

“ I will forever hold fond memories of Arlene. She made the days of waitressing at the QRC a great experience. I still hear her say "Chop, chop get back to work" and " Go to your room" when we were driving her crazy with at the end of a shift. I have often crossed paths with her at the Kmart pharmacy and have enjoyed our conversations talking about the good times at the club and hearing about her family. You will be missed Arlene. My heartfelt sympathy to her family.

“ Arlene was one of the sweetest, most hard working women I ever knew. Quentin Riding Club 1964 to 1972. Loved her kids too. We were great friends at that time. I remember Christi doing "parade horse" choreography when our parents were in the club. So sorry for your loss. Sincere condolences.

“ I knew Arlene from the late 50's at the QRC and all the horse shows and events there. She was a good friend and well liked by all who knew her. She was an Icon at Quentin for decades. Our prayers go out to her family.
