“ *I love you forever Momita! I will miss your great sense of humor, your laugh and enthusiasm about life, the love and sparkle in your eyes, but most of all I will miss your Motherly unconditional Love and Warmth with always welcoming open arms opening to me for a hug. I am terribly heartbroken and will miss you dearly. I am very lucky to have had such a loving Mother.*

“ My first memory of my darling cousin, Arline, was when I was either 3 or 4 yrs. old, Arline, along with my Aunt and Uncle and her brothers were visiting us in New Orleans. I was outside playing without shoes, and my Mother wanted me to put my sandals on. Arline, who is 7 years older than me volunteered to bring me inside and put my sandals on. She sang to me, played "This little piggy" with my toes and made me laugh. Arline brought this memory up when I was in my early 20's and before she could finish the story I told her I remembered how she played "This little piggy" with my toes and we laughed and sang. She was amazed that I could remember that. We've shared many experiences together over the years. I will miss her so much. Love ya', Lene!!!!
