“ Rest in peace dear Ben. You fought the fight, thought you could beat it and it came back bad. It broke our hearts and hurt bad to see you go... I will always cherish the memories of the times we shared at the 501, you with my late son and your buddy Scotty and being your friend. You were another son to me and we had a bond. If you are in fact there with Scott, I hope you two behave and keep things respectable... you are in heaven so please keep it at a low roar. Love you Benny... I shall think of you often and miss you always old buddy. Your "Five OH Fun" will not be the same without you there. Your picture hangs on the wall and we shall frequently toast to you! Cheers!
