“ *I just found out today that I lost my best friend. I loved Brenda like a sister. All I have left now are the wonderful memories of Brenda, John and I at Atlantic City at the boardwalk. I will cherish our photo for always. Weeks between phone calls but when we got to talking you couldn't stop us, we would talk all day. You have been released from all worldly pain and now you are free. Hurts me to be without you but I know you are right there watching. You were an inspiration to me always and I will forever be grateful for your friendship. I love you Brenda! I love you John and Adam!*

“ Ok Brenda, I guess this would be the best day to send my condolences to your family. On what would have been your Birthday. Dear John, Adam, Brian and Family, Jean, Deb and Family and Lorie and Family. I am still at a lost about Brenda s passing. She was the greatest. A true Angel on earth in every sense of the word. A great Cousin, Sister and Friend who had the time to listen whenever I called her even though we didn't see each other for year's. She was a great listener and gave great advice. All the great memories over the years at the Family Reunions and the three way conversation with her, Jean and me when I would call her or she would call me. You are all in my thoughts and prayers. May God be with you during this most difficult time and give you strength and peace. Happy Birthday Sis. You will never be forgotten. You will be remembered in a very special way and when I see a bright star in the sky I know it is you whining down on all us and looking over all of us. Love and miss you so much.

Your Cousin,

“ One of my favorite memories is when I was like maybe 7 or 8 and mom, mim, Brian, Adam and aunt Brenda went yard selling.. We were sitting on lawn chairs in the back of the van, except mim who was in the passenger seat with Adam, and there was the guy that kept beating us to all the yard sales snatching up all the good stuff.. Aunt Brenda was getting mad and she turned the corner and yelled out there's the van and floored it around the corner, we all went flying off the lawn chairs and mom almost peed herself laughing so hard.. To this day we talk about that yard sale trip every summer.. She was the kindest and most caring person you could ever know.. I will miss you aunt Brenda.. Our deepest sympathies to the entire family.. Love and hugs to you all..
