“ *Brian grew up a block away from me since we were kids, and then we became neighbors for the last 22 years....He was one heck of a good neighbor to all of us around him. May he rest in peace now with his mom & dad. Our thoughts and prayers are with him and his family. God Bless you Brian.*

“ *He left so quietly
His thoughts unknown
But left us memories
We proudly own
You will be missed dear friend!
Maybe now we can tie your sneakers!*

“ I worked with Brian at BMY on the drafting board years ago. Brian and I met up again at Metso, where he worked for over 20 years. We went to lunch together often, and always had good conversation in the office. He has been missed every day, and will always be. Brian's sense of humor is unmatched! Rest in peace, Brian.
