“ *Alan, I still can't believe that you have gone. It was just last summer that we were driving around, talking and trying to catch up the last 12 years after being an exchange student at your house and becoming a sister to you. Remember all these great times we had on Weavertown Road? All the memories we share? My prom, my first American beer, your wedding, we were even making plans for a visit in Germany.*

You were always taking care of me, until now... "you are my little sis", that's what you said.

*I lost my brother and friend, a very caring loving man.
Mom and Dad, I am sorry for this loss.*

*Al, keep watching us and you will be in my thoughts forever.
I love you*
