

Bryan Wesley Keim

April 13, 1973 - May 26, 2017

It is with profound sadness that we, his parents Jan and Russ Keim of Long Neck, Delaware, write this obituary for our son. He died Friday evening in a one-car accident.

Bryan was a character to raise as a child. It was so wonderful to see the man he became; a loving husband and father. He is survived by his wife Rebecca of Anville, and the two people he adored and was most proud of; Jesse and Casey, his daughters. Also surviving are his sister, Lisa Mumma, brother-in-law Steve Mumma of Dauphin and their children McKenna, Shelby, and Rachael. Unkie Bry loved his nieces and their family gatherings.

He graduated from Central Dauphin East High School, attended Central Penn Business School and was employed by Fry Communications for 24 years.

Bryan knew no strangers and had a great wit and intelligence. Music was a large part of his life. His artistic talent was shared with his many musician friends. Within 24 hours of the accident, there were over 860 posts to his Facebook page. He made people happy and they returned to him their love and affection.

A celebration of his life will be held on Sunday, June 11 at a location to be determined. Email USehJan@gmail.com if you plan to attend. There will be an invitation on his FB page within the next few days.

In lieu of flowers, contributions can be made to the Jesse Keim and Casey Keim Educational Fund c/o PSECU, One Innovation Way, Harrisburg, PA 17110. Please direct it to the girl's names.

“ *We were cyber friends from the early early days of Myspace and he was the only cyber friend I kept in the Facebook days. We kept in touch. Bryan was a real friend. I did away with social networking in 2015 and have thought about him several times. He popped into mind today and I decided to check up on the man who taught me so much about myself and life. I am in tears right now. Bryan was such a refreshing spirit. Everyone who knew him knew how much he loved his wife and daughters. I felt like I watched them grow up through pictures and posts. I am thankful I was lucky enough to get to know this angel. My thoughts go out to his family. Big big hugs.

“ *I worked with Bryan in a very small room for over six years, just him and me. It's hard to put that experience into words but I remember it something like if George Carlin and Jim Carrey shared a pup tent. I laughed till I cried... He adored the girls and they adore him. I never met anyone more deserving of that kind of adoration. I brought him home once and he met my kids, it changed them... I honestly don't believe I've ever known anyone with a more genuine joyous spirit than Bryan Wesley Keim. That's the great thing about spirit, it never dies, so because I just can't seem to find the words I'll leave you with one, Peace,. `~*

“ Bryan ALWAYS had a smile and a kind word for everyone. It was always a pleasure to see him at the drum shop. He was genuine and one-of-a-kind. We are so sorry. Rest in peace friend.
