“ *He's in a better place Right now, then he's ever been before; All pain is gone ; he's now at rest, nothing troubles him anymore. It's we who feel the burden of our sadness and our grief; we have to cry to mourn our loss before we get relief. We know we'll reconnect with him at the end of each life's road, we'll see his cherished face again when we release our earthly load....."*

*Very few men tread this earth, and leave huge footprints as the ones your father left, he touched peopl in a way know one else has, and for that he'll never be forgotten.....
God bless, Him as well as His family,*
