“ I am saddened to hear of Carol's passing. She was so giving in helping me when I first started at Berk's Heim in 2007. She was so proud of her family; always sharing stories of her grandchildren & pets. She was a very special woman who I was proud to call my friend. God's speed Carol & may God watch over your family.

“ Carol and I were co-workers from Berks Heim, but we were also friends. She helped me learn more about the use of the computer for doing my job. She also helped me learn my job as RNAC before technology made it easier and more efficient. We talked a lot about our families and how proud we were of them. I wish I had spent more personal time with her as a friend, especially since we had retired. I will miss her. My condolences to Julio, Malissa, Junior, the grandchildren and extended family who will miss her more. Memories of her are precious and will always be with you.
