“ Casey was one of the most caring, wise, and happy women I've ever had the pleasure of knowing. She was dedicated to helping all her "strong women" to stay as fit and mobile as possible as we age, and she did it with love and humor. We will continue to exercise to stay strong and to honor Casey's memory, but class can never be the same. One of her girls for more than a decade, I write this with love, Nancy Frey
