“ Dore Ray, Lonnie Jo & Timmy

So sorry to see that your mom has passed. It is sad for those who loved her here but she is in the arms of the Savior rejoicing now & that is of great comfort! My memories of her baby sitting me at your house were wonderful. So glad she was ours for a while. The radio playing with the best songs ever from the 60's. The girls writing the names of all my classmates on the backs of my elementary school class photos help me to remember the good ole days. Yes I still have those photos. Timmy playing with me even when he didn't want to because I wanted to drag him into the basement to ride the horse. Never can forget hanging from the bolt on the top of the swing set by my pants when she came to save me. And the unforgettable genuine hand made sock monkey she made for me. Yes I still have it. None of these fond memories would have happened if it wasn't for her.

My condolences and

Blessings on your families at this time.

Sincerely

Pam (Bagnoli) Binkley
