“ I am deeply saddened to learn of Charlie's passing. He was my mentor when I joined the department in 1966 and he dispensed much valuable advice. Later he was one of my union brothers in the fire department as well as a dedicated co-worker. He touched many lives with his quiet but confident demeanor. Rest in peace my brother and long time friend. Dick Shay

“ Just so many memories. Having met Charlie when I was still a junior fireman, he was one of the several people to whom the newbies looked up. Always quiet, never excited, and ever the firefighter. I enjoyed visiting him the past years as we lived in the same neighborhood. I will miss you Chas.
