“ Dearest Chester, it saddens me to know you no longer walk this earth...but I am glad that you are walking with our Dad, your two sons and the many family members and friends who have gone before. You lived a full and colorful life. You touched many hearts along the way and you being, the truly unique character that you were...will not be soon forgotten! While you are up there looking down, please keep a watchful eye on our lovely Mother. RIP my little BRO
