“ I remember flying with my father Kenneth G Arnold down to Fort Myers Florida to bring my sister Christine Elizabeth Arnold back home to Lancaster Pennsylvania. She was pregnant with Renna at the time. Well the 3 of us with her brown 1975 Ford granada and a U-Haul trailer drove all the way back to Pennsylvania. I was glad my big sister was coming home. I really wish I would have had the opportunity to see my sister before she died. It's know way too lose someone with out the chance to talk. I love you sis ! Always and forever. Kenneth W Arnold.
