“ *Mr. Hartman was my chemistry teacher and wrestling coach. I will always remember him as a person who taught you to do things right the first time so you won't have to do them over. Rest in peace Coach, thanks for all you did to make me a better person.*

“ *I haven't seen Mr. Hartman in a long time. Mr. Hartman taught me about not making excuses, and the value of learning when I was in his chemistry class. I appreciate that. Thank you Mr. Hartman*
