“ *My father in law was a good man and quite the character, he could make you laugh without even trying. His nurturing and loving ways were above and beyond compare. His love for life and family was inspiration. Although we lost Dan I feel our family is very fortunate, not only because Dan was a wonderful part of our lives but because after every phone conversation or visit together we would always say I love you. Its comforting to know that those three words were the last words we said to Dan and the last words we heard from him - I LOVE YOU! Life is short, there is never enough time. So live a good life, love with open arms and an open heart, laugh often and ALWAYS take the time to tell the people near and dear that you love them. "Our Dannie Lee did."Family is everything. Rest in peace my wonderful father in law. I love you! Your ever loving daughter in law, Lisa Marie*
