“ *God bless you, Darlene, and now may your rest in peace. I enjoyed the time we spent together and I kept up with you through your daughter. May you rest in peace and we will all go forward with the many memories. Your daughter took good care of you and her first priority was always you. We all will walk beside her now as she heals. Sometimes the journey is hard and filled with ups and downs but you did it, Darlene. Until we meet again my friend.*

“ I know Darlene only through her daughter Melissa, a good friend of mine. Melissa gotta hold her head high because she did her mom proud during the end of her life and during her life. Having to deal with deteriorating health and inevitable death was tough, but Melissa did all she could for her mom. Melissa was a devoted daughter.

“ Words can not express how I will miss you Mom! You have been there with me and made sure I had every need in the challenging times. You worked two jobs most of your life just to raise me and take care of me. I will be ever thankful to you and I'll miss you more than you will know. You were my best friend from thick and thin and I thank you for everything! I was there for you thick and thin as well! Words can't express the love I have for you and the love you had for me! I'll forever miss you!

“ Darlene was my friend in High School. A true friend and I cherished her friendship. Seeing her obituary I found something out, that I never knew we were born on same month, day and year. I wish the family many fond memories of Darlene and know she will always be in your hearts. A friend Alyce Brown
