“*Dave's beautiful wife, Sharon is my first cousin. A few years older than me. I remember still being a kid when Sharon and Dave began dating and being over Sharon's house when Dave would pick her up for a date. They were so in love. Later, Dave and Sharon lived near my husband Dan and I when we lived in Woodbridge, NJ. From the time they were babies, we raised our 4 children like first cousins/almost siblings. Our two families spent a lot of holidays and weekend evenings together while we were raising our kids. Sometimes Dan and Dave would do painting together in people's homes as a second job. We had many great times at their house or our house and we created so many special memories. Dave will be missed. When we travelled from (Cary) NC to visit Dave and Sharon this October (2019) Dave was pretty sick but he thanked us sincerely for coming to spend time with Sharon and for making her happy. We love the Switzers. We are deeply saddened to hear of Dave's passing and we grieve with them. We pray daily that God protects Sharon and Chris and Brian and guides them in their grief. We pray he places just the right people in their lives to comfort them and walk alongside them.*
