“ I loved you dad so much, we had good memories and a good times. Even when I was the youngest out of my siblings, we always had the greatest and strongest bond. I'm going to wet towel you when I see you next, trust me. But I'll miss you and I know your in a better place love you and please don't have too much fun without me.

“ There's so many good memories ❤️ but the best one is when he stepped up to raise my sister and I and always been there when we needed something 🙏 it hurts sooo bad knowing you're not here to call , laugh , talk , and more . It's going to be hard but I know you're watching over all of us!
