I was so sorry to hear about your Dad passing away. I know how much he loved all of you and he was a great Dad. I have lots of memories of him and and your Mom doing a lot of stuff with all us kids. He was always funny and joking around, I remember especially how much fun we had swimming, he would toss us around and play games in the pool.

I'm glad you were all able to get together, I know how hard it is dealing with such a loss.

All our love, Audrey & Charles
