“ I worked a lot of years with Levi at Safe Harbor. A hell of a nice guy. Never seen him happier then when he got that blue step side. He drove that thing everywhere. I got a kick out of calling him Donald when I would see him at Lowes. He didn't want his coworkers to hear that name. Hope they have a truck for you in heaven.

“ What a true friend! I will never forget the care and concern Levi showed to Randy with his daily phone call during Randy's cancer journey.
So sad to see you go Levi - enjoyed the conversations about plants, animals and books.
