“ *I knew Don since grade school. We had many good talks and exchanged Christmas gifts which included some incredible reading material. Of course, he repaired some of my electronic devices which had issues. My prayers go out to Don's family. May your fond memories of Don be a comfort to you.*

“ My husband, Wayne, knew Don from many years ago working at Olmstead Instrument Corp. They stayed in touch over the years and enjoyed hiking and canoe trips. Don came to our wedding in 2017 and we always enjoyed our visits with him as he shared with us places he had visited and motorcycle excursions, as well as showing us his mineral collection. We share your loss and keep you in our prayers.
