“ My deepest sympathy for your family's loss of Don. I knew Don since kindergarten in Conestoga and I too am a Penn Manor graduate of 1973. . He was my first love as we were boyfriend and girlfriend in First grade. !! He was a funny, gentle happy teddy bear of a guy. I didnt run into him too much at school as we got older, and I thought of him over the years , as they say you never forget your first love and paths change. the picture does him justice and that smile makes you want to smile. May he rest in peace.
