“ My condolences go out to the Banzhof Family. Thinking back on so many great times with our families. Our mothers were so much fun when they were together. They shared a true friendship that lasted their entire lives, from children up until the time my mother passed in 2021. Donna is now reunited with Jay in a much better place. Our parents are probably up in Heaven sharing laughs as I write this. I visited Donna a few times on High St. The conversation always came back around to her children and grandchildren. She loved all of you so much. Her memory will remain in your hearts forever. With much love, Sam Field
