“ *Bev and family,*

*My Dad and I would like you to know our thoughts and prayers are with you.*

*Donna and your mother were good neighbors and friends to my dad for many years and I will always remember all the times she would bring containers of soup over to my dad when ever there was a fund raiser, and when the snows came she was always there to help out too. Just having good neighbors was a blessing. She will be missed. Judy Wagner and father Adam Wagner*

“ I remember all the times I would go over to Donna's place and help her with her Christmas Tree. I would also help her with her husband and brother in law when she needed me. Loved spending time with her and her mother. She was a very good friend. She is missed deeply. She was always there for me to talk to when I needed a should to cry on. Love her lots.

“ *Bev and family, I hope you know how much the Shattls Family consider Donna a member of the family. I can't remember a time in my life when I didn't know Donna and all of you. Donna was the sister I never had. I thank her for all the time she spent with me, babysitting me, being my friend only to come together again at Manor Care. Our family get togethers were most uplifting, funny, compassionate and loving. Olga and I thank you so much for keeping an eye out for Bobbie Shattls. I know she considered you a family connection. Donna, we pray with our whole heart that you are at Peace. We just wish we would have had so much more time with you. You left me (Trudy), and now I feel so lonely; almost like a orphan. Bev, may only wonderful things happen for you here on out. Please stay in touch, as we love you too.*
