“ *As I read these messages, its hard to know just what to say. My mother was a unique person and we all miss her greatly. The past weeks have been hard for us but its nice to know that so many people cared about her and that so many people have shown us their support. It is greatly appreciated and we are very grateful to everybody who expressed their concerns. Thank you all. May she rest in peace.*

“ *I didn't have any friends in high school but Donna. She was one of a kind. She was great. Always up to something new. Bold, I don't think she ever cared what anyone thought of her. I will miss her very much. Chairie*

“ Donna will be remembered fondly for her outgoing personality enjoyed by Cedar Haven residents and co-workers. It was always a highlight of any day at work to spend a few minutes talking with Donna. She had a strong interest in the history of Cedar Haven. She was caring and brightened many lives of residents of 1C and 2C. She was a positive contributor as a Ward Secretary there. She will be missed.

You are in my thoughts and prayers at this difficult time. In the short time I knew Donna, I recognized her beauty, kindness and love she exuded. I know your great care was gratefully appreciated by Donna and although she will always be missed, we know she is in a better place now and free of all illness. I pray your precious memories will be a blessing and that God gives you strength through the days ahead.*

Donna lived a great life as a wonderfully lovely woman.
