“ *I work for John Herr's village markets and we started online shopping . Doris was one of my first customers that I had shopped for and she was a very loyal customer. She always had a smile on her face and nothing but kind words to say. She would tell Me of her many trips to the mountains and the beach with her family she loved so much. I will surely miss her everyday. May you rest in paradise. I enjoyed being Your Personal Shopper .*

“ Doris was such a great person and gentle soul. She was the backbone of Millersville Borough Police Department for so many years. I loved the almost daily conversations we would have about our families and mutual friends for the years that we worked together. You will hold a special place in my heart. My thoughts and prayers are with your family at this time.
