“ Doris was a very special person. And so many will miss her smile and out going spirit. My sincere thoughts are with the family. The Bible shows that God has both the ability and the desire to bring back the dead. He keeps in his limitless memory a detailed record of each person he will resurrect by means of his almighty power. (Job 37:23; Matthew 10:30; Luke 20:37, 38) God is able to restore the dead to life, and he wants to! Describing the coming resurrection, the Bible says of God: You will long for the work of your hands. Job 14:15. I look forward to seeing Doris again, for she is in Jehovah Gods memory.
