“ *Every Friday as a young girl in the 50's and early 60's, my mom took me along to get her hair done by Mrs. Zook. I really remember the peanut butter Easter eggs that were so delicious that even to this day, no egg has ever come close to it's wonderful taste. Every Easter I think of her and I still wish that someone would start making them again or share the recipe. What a lovely lady.*
