“ *My sympathies and prayers to all of Pud's family. What a great guy. I got to know him at PMHS. He always had a smile, a warm welcome, a funny story, words of encouragement and wisdom for me whenever I needed it. It was an honor to share a bit of life's journey with him.*

*Good-bye may be the law on Earth, but Reunions are the law of Heaven. May God's Peace be with all of you during this time. Enjoy the memories and smile.*

*Peace,

“ *Memories of Pud the school bus driver, custodian at Penn Manor and at the Herr family farmhouse which is no more. My sincere sympathy to the Herr family with your loss of such a kind man. As the father of two girls myself, as I look back thru the years, I really wonder why Pud ever allowed his girls to associate with such a motley crew consisting of me and my friends. Actually, it was my sister Jan that Pud and Gladys trusted, so everything worked out fine. Thank you Pud for your service and may your final resting place be a shrine of your service to a grateful nation.*

*Love, prayers and God's blessings to the entire Herr family,

“ *Dear Gladys, John, Kathy, Kim, Kevin and all the family, When I saw Pud's picture in the paper, I was so deeply saddened by the loss of such a cheerful and happy man. Certainly his picture captures him perfectly. There are so many memories that come flooding back but most important was the love I always felt when he was around. Always a kind word, his great laugh, and his kidding sense of humor. I am sure he will be missed by so many. May God give you the peace that only He can provide during these next weeks and years without this good man. Love to all of you, Robin*

“ I will always remember Pud's sense of humor and him teasing and playing pranks on me when Sis babysat me. Later in life, we often argued because of his conservative opinions on modern technology, but as I grew even older, I came to share his same viewpoints He is now with our Lord, but I will always have fond memories of his gentle, loving soul.
