“ *Condolences to Earl's family. For many years Earl wrote for Senior News. Our readers enjoyed many great columns including Let's Take a Ride with Earl.*

He was a true patriot and kind hearted man.

“*Earl was a true friend and will be missed deeply. I am truly grateful for his kindness. He taught me so much- from making a blueberry pie from berries by the tracks in Salunga to appreciating history and the Phillies, which we attended often. He taught me to drive and made me an emergency car kit that I assembled for my son at the same age. My deepest condolences to Bev, Kim and their families. I truly loved him like a Dad.*
