“ I was sorry to learn of your father's passing. Your father gave many volunteer hours to the hospital and it was my pleasure to "work" with him. He always looked so professional (I think your mother had something to do with that) and was always very polite. I extend my sincere sympathy to your entire family.

“ We were neighbors of the Millers. We were good friends of his children growing up. We spent many hours playing at their house. He was always so kind and friendly. The whole family was that way. Unfortunately, I just heard of his passing a few minutes ago and was unable to attend his funeral. Our deepest sympathy to the entire family. We lost a good man. ❤️ Herb and Frannie Bruntel

“ What a beautiful man...inside and out. Kind in every way. Always a smile on his face when he said "Hi Frankie". 😊 His accomplishments were so many but his most admirable quality was the love he had for his family. Rest in Peace Mr. Miller. You are loved and admired by so many. 💔💕
