“ We can't even begin to express the deep, deep sorrow we feel for the loss of your beautiful daughter. I will remember her most during cheerleading with her amazing spirit and her wonderful sense of humor. And of course soccer - where she was always a team player and loved by all. She was truly a wonderful and an amazing person. My prayer for you is that you find love, peace & comfort in the arms that are wrapped around you during this incredible painful time in your life. Take comfort in knowing you will be with her again someday and that she's safe & happy with our Father in the Kingdom of Heaven. Many prayers to your family ~
