“ Aimee and I have thought of Ann so often since we learned of her passing. The sad news was quite a shock. Dave, Aimee and I have tried to find an address for you, but were unsuccessful. The phone message you left us concerning Ann's passing was greatly appreciated. Thank you for thinking of us and calling. The message was lost on the machine before I retrieved your phone number. We want to extend our heartfelt condolences to you, DJ, and Ann's daughters as well. Hope you're able to find solace in your many wonderful memories of Ann. She was such a peach...and I loved her dry, silly humor. We've really missed her at the salon the past few years. She was truly special.
So very sorry for your loss. Far, far too soon gone.

“ *You were my mom and that really says it all. My memories of you are ones of comfort, caretaking, love, closeness, and family. You made our family and held it together for many years. I so wish I could have gotten over things easier and reached out to you over the years. I miss you and will always regret not being able to say goodbye. I love you mom.*
