“ Elmer was such a kind person to Gregg and I. Even though he was always so busy, he took the time to wave and say hello. We have never , and I mean never met such a hard working man like him . My husband took a shine to him not only because he was a good man, but they had something in common when it came to Cancer and that was the will to fight as hard as they possibly can. We were very fortunate to have him as a neighbor and friend, and He will be so missed. He will live in our hearts forever.

“ Elmer was one of the hardest working people we ever met. You never knew when he wasn't feeling well. He just kept plugging along. Always friendly and always had time for others. We will miss seeing him riding the tractor up and down Blue Lane. He was a wonderful neighbor, always willing to help. We will miss him dearly here on Blue Lane. Rest in peace, dear neighbor. “ *Elmer was one of the best berry growers in the County. He had the best raspberries and blackberries. He also grew other vegetables of exceptional quality and will be missed. He had a kind heart which was willing to help others and to share his knowledge of farming. He fought the good fight and was welcomed in the arms of his Savior with well done my good and faithful servant. Charlie Douts*
