“ *My wife, Deidre, and I, first met Eric in 1995, when he was in Adelaide (South Australia), doing study as part of a Naval service scholarship.
He joined our local radio society, and had an Australian callsign (VK5IHQ).
Some years after he returned to PA, with our two sons, we stayed with Eric and Denise, and were taken to various interesting places in PA and interstate.
Thanks to Denise for telling us of Eric's passing.

“ I first met Eric at our Church, St. Mark's U.C.C., at 8th & Mifflin Streets, Lebanon, where we became friends. Eric was in my Lebanon High School Class of 1970 and was a very handsome and caring man. The last time I talked with Eric he was telling me how much he enjoyed being an amateur radio operator. My condolences to Eric's family and friends. I am sure that he will be sorely missed. Sending up prayers.
