“ *May the healing gifts of time and the timeless love of God carry you gently through the loss of your mother. You have our heartfelt sympathy.*

A memory as a child, we (Fay, Bud, my brother Gene and I) were at their family's summerhouse above Wrightsville and walking on the road to the house. Fay said "run as fast as your can" she was behind us and there was a snake on the road. The other was of Fay, Bud, Gene, Aunt Margie and my mother, Reba, heading up the dirty road to the summerhouse with my mother driving an old car with stick shift and the back fenders were kind of flat. Mother got the car stuck on a rock beside the road and this caused by brother Gene's foot to go into a pumpkin pie we were taking.
