“ Fred gave me a chance in a time that no one else would. He took care of me and took me under his protection. Why? because once upon a time when I was a teenager I stuck up for him. That's the kind of guy Fred was. A loyal guy. That is how I will remember him. Brilliant, witty, funny as heck and gifted in his ability to get others to perform. RIP. I hope you found your peace old buddy. Prayers to the Marafioti family.

“ Fred,
We are very saddened by your passing and will miss you. For us we had a special friendship that we will always remember. You were always kind and appreciative and always took the time to chat no matter how busy you were. Your kindness in letting my son who struggles with autism to mow your lawn has made an incredible impact in his life. He has learned the appreciation of doing a good job, a strong work ethic and above all confidence and self worth. You have given him a tremendous gift which he will use throughout his life and I will never forget what you have done for my son. Thank you Fred.

Blessings to you and your family;
