“ *I remember going to visit my aunt in Lancaster with my grandfather Teodoro and her treating me like her own child. I had a bike accident and she took me to the hospital after realizing I was hurt pretty bad. I will never forget her gentle mannerism that made a scary time as a little girl so much more at ease. Titi Genara was my mom's sister. Cousin Suzy and she would travel hours by bus or train to come visit my mom and family. We will all miss her so much. I pray for my cousins at this difficult time. God bless you all.*
